

HotBeams

One-axis rgb laser bar for standalone use or additional effect next to laser projectors.

Product name	HotBeams
Source	10× 300 mW RGB laser modules
Optical specs	
Wavelength	638 nm 520 nm 450 nm
Output power/module	100 mW 90 mW 100 mW
Wavelength tolerance	±5 nm
Beam mode	Single
Beam diameter	3.3×2.3 mm
Full beam size @ 90% output power @ 33 m	20 mm
Beam divergence @ 90% output power	0.5 mRad
Movement	
Pan movement	90°
Pan resolution	16 bit
Speed	0.5 sec / full angle
Accuracy	2 mRad
Power consumption	Continuous max 250 W
Control	DMX
Temperature of operation	10-35 Celsius
Life of operation	5000 hours
Supply voltage	90-240 V
Mechanical specs	
Height	452.7 mm
Width	1200 mm
Depth	97 mm
Weight	9.2 kg
